Re: Somerset Valley Rehabilitation and Nursing Center Cases 22-CA-29599 and 22-CA-29628

On December 30, 2010, the Regional Director for Region 22 issued an Order Referring to the Board the Employer's December 3, 2010 Petition to Revoke the Subpoena *Duces Tecum* issued by the Regional Director on November 24, 2010, relating to the investigation of the above-captioned cases. On March 2, 2011, the Region advised the Board that, in view of the Region's decision to issue a Consolidated Complaint in these cases, the Region had notified the Employer that the Region no longer would seek the information requested by the subpoena and had withdrawn the subpoena.

Accordingly, the Employer's petition to revoke the subpoena is moot, and it is unnecessary for the Board to rule on the petition to revoke.

Very truly yours,

Henry S. Breiteneicher

Associate Executive Secretary
